Section 1

Applicant submits herewith patents, publications or other references which may be material to the examination of this application and for which there may be a duty to disclose in accordance with 37 C.F.R. Section 1.56.

The filing of this Information Disclosure Statement shall not be construed as a representation that a search has been made, an admission that the information cited is, or is considered to be material to patentability, or that no other material information exists.

The filing of this Information Disclosure Statement shall not be construed as an admission against the interest of the applicant in any manner.

This Information Disclosure Statement is filed within three months of the filing date of the national application or date of entry into the national stage of an international application or before the mailing date of a first Office action on the merits, whichever event occurs last. 37 C.F.R. 1.97(b).
